

TERM SHEET

SFRO BALANCED FUND

SFRO Balanced Fund's objective is to provide medium and long-term capital appreciation. The Fund is managed in a dynamic and diversified manner and is composed of exchange traded funds ("ETFs"), equity securities, and global fixed income instruments. The Fund's particular approach aims for capital growth even during bear market by using indicators to guide its strategies. The Fund is balanced and aims for an exposure of 30% to cash and fixed income securities (including fixed income ETFs), and aim for an exposure of 70% to equity (including equity ETFs and securities). Actual allocations may deviate by up to 10%. The Fund may allocate a higher weight than the target weight to cash and fixed income securities if deemed appropriate.
