

TERM SHEET

RIVEMONT CRYPTO FUND

The Fund seeks to generate positive returns by making investments in the cryptocurrencies industry. The universe of the Fund is not limited to cryptocurrencies exclusively; it can invest in other types of securities and assets related to cryptocurrencies and blockchain technology. The Fund can also invest in various solutions that are complementary to cryptocurrencies.

The investment advisor seeks to capitalize on the rapid emergence of blockchain technologies in order to deliver a return that is non-correlated to traditional investments. This speculative Fund offers investors who can handle high volatility a direct exposure to the cryptocurrencies space.
